

Kilbree Camogie Club take the “road to Croker”

Kilbree Camogie Club’s U12 players travelled to Croke Park to take part in an All-Ireland blitz. This team had already participated in a Munster Blitz in Semple Stadium (Thurles) in April.

The girls and their supporters/mentors enjoyed a tour of the stadium and museum prior to taking to the field of play. They thoroughly enjoyed all parts of the tour including the dressing rooms, museum and the entertaining area.

This team have been very successful in the current year. On this occasion they played Newbridge (Derry), Westport (Mayo) and New Inn (Tipperary). The girls won all three matches and incredibly they did not concede a single score. The spirit and friendship these girls enjoy are part of the reason behind this success.

Thanks to the Camogie Association for this well organised fun filled event. Thanks to Deirdre O’Leary for organising this trip. Thanks to Marian Murphy (Kilmeen NS) for travelling to Dublin to support. Thanks to all the parents, siblings and friends who make the trip to Croke Park. This support and enthusiasm is very much appreciated and welcomed by the girls.

This group of girls have qualified for a county quarter-final against Buttevant. This match is due to take place in the next week. We wish the girls the best of luck. All support would be most welcome.
