

Kilmeen & Kilbree GAA Club Notes 9/1/17

Kilbree Camogie Outing for Champions a great success!

Kilbree camogie club organised an outing for the U12 and U14 group of girls, to celebrate their recent success. In the past year the U14 camogie team won the county title, defeating Cobh in the final. The same cohort of players beat Clonakilty to secure the Carbery championship crown. The U12 camogie team beat Tracton in the county final and Clonakilty to win the Carbery crown.

The girls went to the Mardyke in Cork where they had a morning of different activities. They thoroughly enjoyed this, especially the climbing wall. It was great for the girls to meet up over the Christmas break and they look forward to going back training in the next week. Kilbree will have an U16 camogie team this year. New members are very welcome at all ages.

The presentation of camogie county and Carbery medals will take place on Friday 27th January in the Parkway Hotel. This is guaranteed to be a great night of celebration.

Annual Puc Fada

The annual Puc Fada took place on St Stephen's Day, starting at Sams Cross. Bright crisp weather conditions were perfect for this annual event. A large group of players and supporters attended this most successful annual event. Thanks to everyone who organised and attended this most enjoyable morning.
